📍 Hyderabad , India

Technical Skills

HTML , CSS

Javascript

ReactJS

Bootstrap

Git , GitHub

Extracurricular Activities

Water Painting

Pencil Sketches

Crayon Drawing

Projects

Front-end of college Website

- Redesigned the website
- Created using ReactJS. Gave styling by using CSS. To design Nav Bar I used Bootstrap.
- Increased good user interface by using client side rendering .
- Increased SEO by 3%, Best Practices by 8%, Accessibility by 11% and performance by 4%.
- Added better responsiveness at every screen size.
